

Standard Brush Co.

<https://www.standardbrush.co.in/>

Our company has emerged as one of the prominent names in the industry for manufacturing and supplying a wide range of Industrial Brushes.

About Us

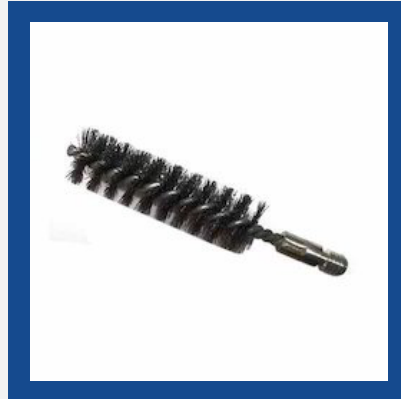

Established in the year 1978, we, “**Standard Brush Co., Kolkata**”, are a renowned manufacturer and supplier of a remarkable range of **Welder, Banister Brush, Foundry, Scrubbing, Circular, Pencil & Stringer Brushes**. All our products are manufactured under the strict supervision of our professionals making use of optimum grade raw material superior quality bristles to provide complete cleaning for any surface. The offered brushes are widely used for cleaning, scratching and burr removal. Further, we have registered ourselves as a partnership firm under **Indian Partnership Act, 1932**. A state-of-the-art infrastructure facility is established by us for having streamlined execution of all the business related activities. Our infrastructure is installed with advanced machines and technologies that are necessary for bulk and smooth production. A team of diligent experts is appointed by us, which conduct regular surveys and take feedback from the clients and then bring necessary changes in the existing product-line. Moreover, all the manufactured products and sourced raw material are safely kept as per their respective categories in our capacious warehousing unit. Due to the excellent connectivity of our warehousing unit with variegated transportation networks like cargo and road, we have been able to provide on-time delivery of orders at the patrons' preferred destination within the stipulated time. Further, we check all the offered...
